17th January 2025

TENDER NOTICE!!(Deadline Changed)

Baringo County Conservancies Association is a community led landscape organization for conservancies in Baringo, established in 2017 under the societies act (cap 108). The primary purpose of the establishment was to be a collective voice for conservancies in Baringo County working to advocate for favorable policies, mainly at county level, build local capacity of the conservancies and provide a platform for coordinated collaboration for equitable conservancies growth. The organization currently has a membership of 16 conservancies and more upcoming.

BCCA wishes to invite bids from eligible suppliers for the supply and delivery of the following goods and services for a period of 17th January 2025 – 14th February 2025.
